Barrett Adolescent Strategy

Teleconference – Monday 18 March 2013, 3.30pm

Dr Leanne Geppert

Items for discussion:

1. Barrett Adolescent Planning Group – Clarification of parameters for the Expert Clinical Reference Group (ECRG):
 - Funding: Capital and Operational
 - Service Model components e.g. inpatient beds
 - Preference for one model vs two options
2. Non-government service provider options – ECRG confidence in NGO residential service delivery
3. ECRG time frames and dates for delivery of Service Model
 - Opportunities for input out of session have been limited
4. Consumer and Carer Representative
5. Service Model submission format – written and power point presentation styles
6. ECRG – one more meeting scheduled for 27 March 2013.

Service Model Summary

1. Existing Inpatient Child and Mental Health Youth Services (CYMHS)
 - a. Acute Services
 - b. Community
 - c. Day Programs
2. Existing Inpatient CYMHS + 2 x Non-government residential services - 4 beds per service.
3. State wide Day Program and Inpatient Service (Extended Care) – 8 bed service.
