Hi Rachel,  
I still haven't sorted out one schedule clash, but believe it may best to push ahead anyway.  
would it be possible to schedule the phone meeting for **3pm on Mon 14th**?  
We are happy to dial you or alternatively the number for our conference room is [REDACTED]  
Thanks,  
Sue

Hi Sue,

Thanks for taking the time this afternoon to speak with me regarding [REDACTED]

As discussed, I have spoken with the [REDACTED] Community Team Leader - Bruce Laing who is happy to be part of a teleconference meeting to discuss [REDACTED] case and transition to the community etc.

Monday (14th October) would be better for us if this can be arranged at all?

Look forward to hearing from you

Rachel
