Subject: Employment Assistance
Attachments: EA_Brochure[1].pdf

Nursing Staff,

I would like to take this opportunity to thank staff for being so supportive of each other and the adolescents since the announcement made re Barrett's future.

I would like to remind staff that they are able to contact Employment Assistance at any given time on 1300 361 008. For more information please visit Employment Assistance Program website <http://qheps.health.qld.gov.au/eap/html/WestMortHSD.htm>. I have also attached EAS Brochure (copy of brochure also printed out and placed in communication folder).

As time progresses and we hear more about the future of Barrett EAS may support staff on ward (to be further discussed in Business Unit Meeting).

Thank you for your time,

Vanessa.
