RODGERS  
**Subject:** Student placements being organised - and action required

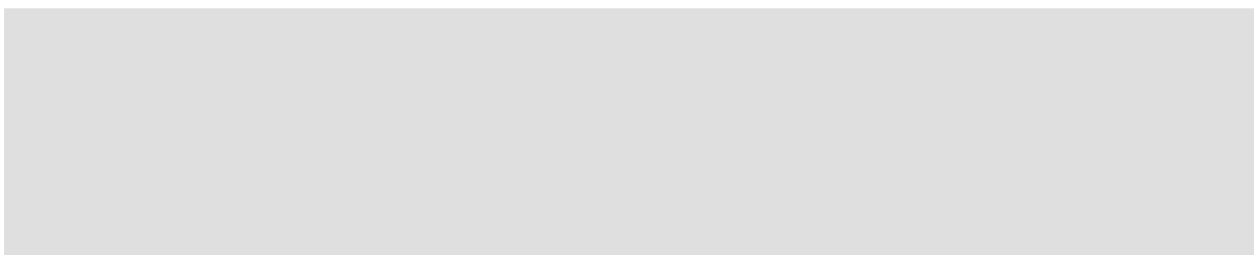

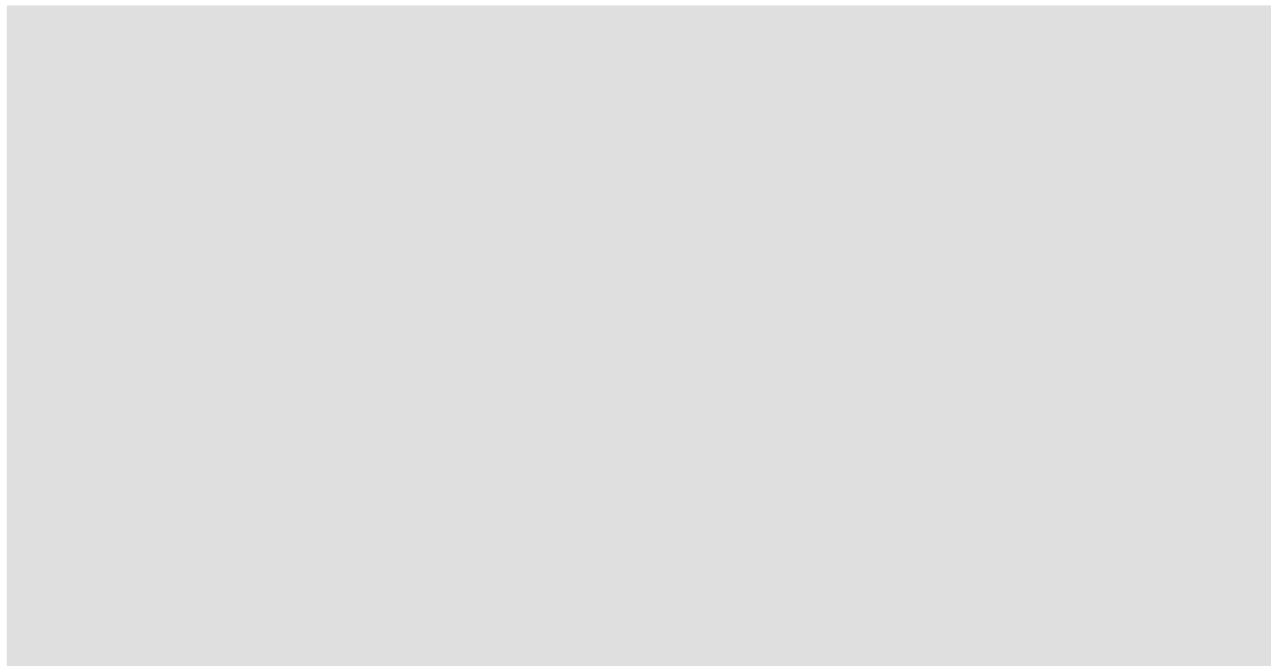

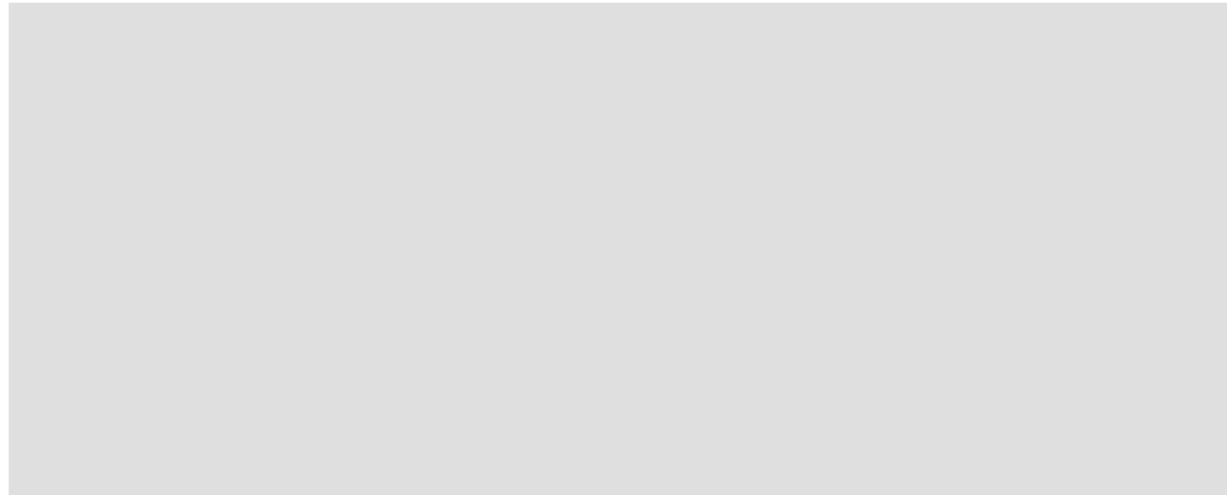

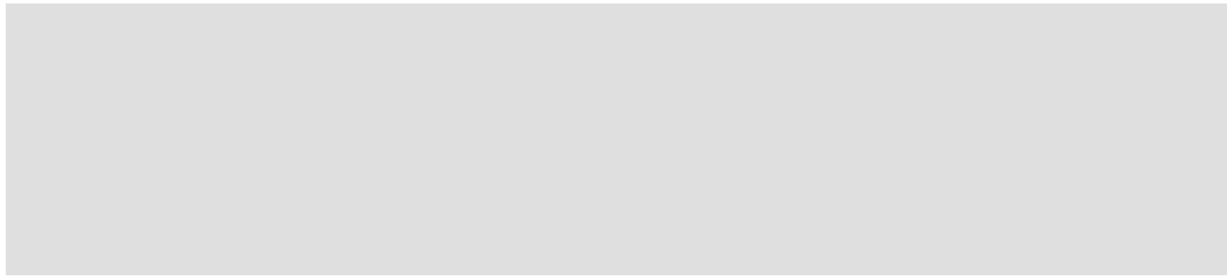

Hi Vanessa,

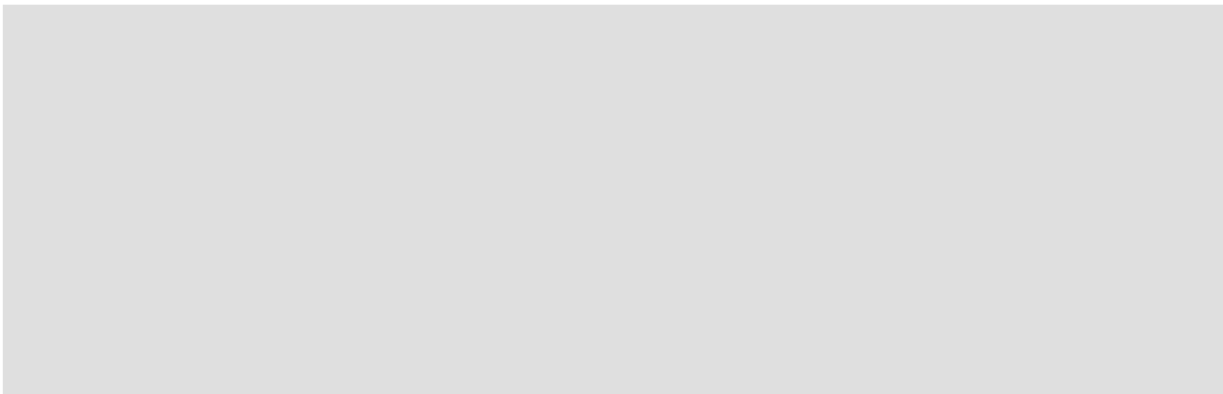

As promised, here is a list of what I am doing with /have arranged for our students with respect to the hand over from Kate Partridge and "wearing my Voc Ed. Teacher hat "...

(Could you please notify the respective CC's of these students, as I have not always been able to talk with them individually due to rostering difficulties ie they have not been on duty at the time that I am here.)

Vanessa, if I have missed notifying anyone, could you forward this update to them please and let me know for future updates.

Best regards,

Janine
