Subject: Nurses Meeting

Nursing Staff,

On Tuesday 10th September a Nurses Meeting will be held in the dining room at 1400 hours. Trevor will be present for part of the meeting (1430 hours) to discuss the future of Barrett.

Staff that are rostered on the evening shift are more than welcome to come to the meeting. For those staff that are rostered off or unable to make the meeting; minutes will be provided. Staff are more than welcome to meet with myself to discuss topics covered in meeting at their next available time.

I have posted an Agenda List on the pin board in the hand over area; please add topics.

Thank you for your time,

Vanessa.
