> Dear Lawrence,

> I am writing to you in support of the Barrett Adolescent Centre. I believe that a residential facility that offers care and treatment for young people with mental health issues will always be needed in Queensland and I hope that the government will take note not only of the recommendations of the expert panel but of the people who support the ongoing existence of a centre which offers treatment, education and help for young people and their families who are suffering because of mental illness. Please do whatever you can to ensure that there will always be a Barrett Centre for those who so desperately need it.

1 AUG 2013

Dear Mr Vickery

Thank you for your correspondence dated 31 July, 2013 to the Office of the Minister for Health, regarding your concerns with the closure of The Barrett Adolescent Centre at Wacol.

As you may be aware, from 1 July 2012, and under the direction of the new Queensland Government, 17 independent Boards have assumed accountability for the delivery of public hospital and health services that was previously provided by the Health Services Districts.

Each Board has enhanced control over local health service delivery and seeks greater local input from both clinicians and the community.

Accordingly, I have referred your correspondence to the West Moreton Hospital and Health Services, for attention and response.

Yours sincerely

Colleen Miller
Office Manager
