Mr. Lawrence Springborg

I am writing to you in complete despair and sharing my story with you. This is my third letter, to which I have received no response, and I am desperately pleading that you read this.

Office of the Minister for Health

30 MAY 2013

Dear 

Thank you for your correspondence dated 27 May, 2012 to the Office of the Minister for Health, regarding your concerns with the closure of The Barrett Adolescent Centre at Wacol.

As you may be aware, from 1 July 2012, and under the direction of the new Queensland Government, 17 independent Boards have assumed accountability for the delivery of public hospital and health services that was previously provided by the Health Services Districts.

Each Board has enhanced control over local health service delivery and seeks greater local input from both clinicians and the community.

Accordingly, I have referred your correspondence to the West Moreton Hospital and Health Services, for attention and response.

Yours sincerely

Colleen Miller
Office Manager
